### Please note ....

We continue to have reports of headlice in the school. Please check and treat if necessary.

A child in TOTs has recently been treated for threadworm. NHS advise to encourage children to wash hands regularly and scrub under fingernails – particularly before eating and after using the toilet.

Assembly next Friday (20th July) will be on the playground (weather permitting) at 9am. We will be celebrating 100% year attendance and birthdays over the Summer holidays.

We have been asked to share this survey for children, young people with SEND and their parents -

I hope you enjoyed reading your child's report this week. Although they take a very long time for us to write and read I am sure that you would agree that they are well worth the effort. They were a pleasure for me to read as I felt I knew every child. The progress they have all made over the year is tremendous and is the reason why we as teachers love our jobs.

Thank you to all the parents who came to the Nursery celebration morning on Monday. It was lovely to see so many of you. It is great to have this celebration in the hall as there is far more room for everyone.

Next week we have our Leaver's Assembly on Thursday morning at 9:30. As always all the children have a small part so it is important that they have a representative from their family. We have 68 children so there is room for at least two family members. I do not restrict the numbers for this assembly as if grandparents have been bringing children to school it is important that they don't miss out on the show. However, the hall will obviously get very packed and seating is limited so be prepared to stand. We are having the show recorded so you will be able to buy a DVD. (Don't forget your tissues as a few of the songs are tear jerkers!)

The Governors and I are meeting with a representative from Shropshire council next week to reconsider their decision not to improve the safety on Sandpits road. I will keep you informed.
