So here we are again at the end of another school year. The children have done really well, Year 2 SATs were much improved from last year and the Year 1 phonic screening was the best we have ever done with 89% achieving the standard. Well done to all the children.

Congratulations to Miss Potter and Miss Dakers who have successfully completed their NQT year and are now fully qualified teachers. Well done! Good luck to Miss Dakers who is moving to the Junior School with the year 2 children to be a year 3 teacher. When the schools merge next year Miss Dakers, will once again be part of the team.

Thank you to Miss Baillie and Mrs Sampson who have been the teachers in Yellow class. You have worked brilliantly as a team and the children have made excellent progress. Thank you and best wishes. Although they will not have a class next year they will remain on our supply list so we will see them again.

Thank you to our volunteer helpers this year. We have appreciated your support in all the various ways you help.

Last but not least thank you to all the year 2 parents who will be leaving us this year. May I wish you and your families all the very best for the future.

Have a great holiday.
Best wishes
Val Matthew

Childrens Corner

Hello Children

This is the last newsletter of the school year, only two more sleeps and it will be the summer holidays!

Did you enjoy the dress rehearsal this afternoon? I thought all the Year 2 children were fantastic, there were lots of words to learn. I am sure your grown-up will be very proud of you tomorrow.

In the Leaver's Assembly tomorrow all the Year 2 children will receive a certificate of achievement and three children (one from each class) will receive the special Endeavour Award. This award is presented to those children who the staff feel represent "endeavour" not necessarily those children who have achieved the highest scores. Obviously not all children will receive this award and it is always a hard job for the staff to choose, but for those children who are chosen it is very special. The award is explained to the children and they understand that one of their friends will get the Endeavour Award. Who do you think it will be?

Have a wonderful holiday and remember to keep safe. Always tell your grown-up where you are and take care by the road.

Good luck Year 2 and see the rest of you on Tuesday 4th September.

Mrs Matthew
