

Forest School Helper Required

Megan, our Forest School Leader, is wondering if there are any volunteers available to help out during the 2 sessions that take place on a Tuesday during school hours. If you would like any further information about the role, please leave your details at the front desk and Megan will contact you.

After School Clubs

Clubs start next week and slips confirming places have come home today. We do have spaces available for a few sessions. This year, we are introducing #Owlstones, in place of Art, which will run on a Monday. The children will decorate stones and take them home to hide. We will set up a Facebook page for pictures to be posted so we can see how far our stones travel. This Club, like Cookery will run up to half term initially. We have renamed Forest School as Woodland Play. It's exactly the same just called something different. Mrs Martin and Miss Greaney will run the Tuesday session with Mrs Meyer and Mrs Davies running the Thursday session.

Earrings

Please ensure all earrings are either removed or taped over every Thursday for PE.

Class Attendance

Congratulations to Turquoise Class who achieved the best attendance for week beginning 3rd September. The children have been celebrated in School.

Sorry for the confusion yesterday when you received another copy of the last weeks newsletter. I had the rep from the website doing a demonstration. At least I now know how to send a message on the mobile app we have!

Thank you for coming to Parent Partnership yesterday afternoon, I hope you found it useful. The children are settling in well and finding their feet. In assembly yesterday I explained about using a knife and fork, as still many of our new children are finding it tricky. If you can encourage this at home it would be really helpful.

The children looked very smart for their photographs and we noticed last Thursday that all the PE kits looked particularly bright and fresh.

Please may I remind you of a few rules to help with safety. Children must not ride scooters or bikes around school as they can bump into people, a child once got a broken leg in a similar accident. Please take care where you park on Sandpits Road as you can cause an obstruction and finally, please do not park in Bromley road as this is a private road.

STAFF

Mrs Matthew

The parents of the above children are invited to Celebration Assembly on Friday at **2:25pm**. These children do not have to wear school uniform on Friday.

Headlice

To avoid the possibility, please can you tie your child's long hair up.

We have lots of lost property already. Please ensure names are written in all items of uniform.

Ludlow Library Reading Challenge

A big WELL DONE to all the children who took part in the Reading Challenge. We were very impressed at how many of you read 6 books over the Summer! Well done. (These children have already been celebrated in School.)

Childrens Corner

Hello Children

I hope you smiled nicely for your photograph yesterday? I am looking forward to seeing them.

Please remember to get off your scooter or bike at the school gate as it is too dangerous to ride around school.

Next week we are going to have some visitors in assembly who will tell us about how people in Mozambique get water and how we can help. Polly, my singing teacher, will teach you a song about a well. When we have our Farmers Market in a few weeks we will raise money for a new well.

Don't forget to have a go at the skill and the quiz. Last week no one got the adult quiz correct! The national speed limit on a dual carriageway without streetlamps is 70mph.

*Have a lovely week.
 Mrs Matthew*

Skill of the Week

Use a knife and fork correctly to eat your dinner.

Quiz of the Week

Answers on a piece of paper to Mrs Matthew please.

Children's quiz – There is a big storm (hurricane) due in America over the next couple of days. What has it been named?

Adults quiz – What is the national speed limit on a dual carriageway with streetlamps?
