

Advance notice

There will be no Celebration Assembly on Friday 5th October. Birthdays from 30th September will be celebrated on Friday 12th October. **This will be a morning assembly starting at 9am.**

Changes to our Newsletter

After the October half term, we have decided to stop sending paper copies of the Newsletter home every Wednesday. We are encouraging all parents to receive an electronic copy. Please go to our school website, click on the 'Newsletter' tab and enter your email address where prompted after ticking 'subscribe'. Initially we will have a limited number of paper copies at the front desk but will gradually phase this out. Don't miss out—subscribe today!

Class Attendance

Congratulations to Yellow Class who achieved the most improved attendance for week beginning 10th September. The children have been celebrated in School.

Future dates for your diary

Tuesday 9th October—Year 1 to WMSP

Wednesday 10th October—Year 2 to WMSP

Monday 22nd October—Flu Vaccinations (more info to follow)

Tuesday 23rd October—Parents Evening

Wednesday 24th October—Parents Evening

Thursday 25th October—Halloween Disco

Thursday 25th October—BREAK UP FOR HALF TERM

We had the termly fire drill yesterday and the children were fantastic. We evacuated the building in 2mins 37secs which is amazing for the first one of the year when the children are not familiar with the procedure.

Today we had a visit from Polly and Ailsa who taught the children a song about the Mahaqui well project in Mozambique. Ailsa's daughter and grandchildren live in Mozambique and with the help of Ailsa's fund raising they have dug 6 wells to support the people. This is an excellent project for the children to learn about as they know how important water is in their own lives.

Next week we are holding a farmers market at 3:00pm on Tuesday 25th September. All money raised will go towards the well project. It is important that the children raise money for other projects as well as money for school projects.

Reception children will count out apples and pears and sell them. Year 1 children will make cakes and hopefully bring some from home to sell and year 2 will make fruit crumbles and chutneys from the fruit around school and sell them. If you have any home grown produce which you would like to donate for us to sell we would be very grateful.

Birthdays this Week

23rd September—Jacob Hughes

The parents of the above children are invited to Celebration Assembly on Friday at **2:25pm**. These children do not have to wear school uniform on Friday.

Quiz of the Week

Answers on a piece of paper to Mrs Matthew please.

Children's quiz - Where are the Mahaqui wells? How many wells are there?

Adults quiz - What is the best gear to be in in a 30mph zone.

Grown up quiz - Last week's quiz was what is the national speed limit on a dual carriageway with streetlamps? Once again no one got the correct answer of 30! This catches lots of people out!

Childrens Corner

Hello Children

Did you enjoy the assembly today? I am looking forward to the Farmers Market next week, don't forget to bring some cakes if you are in year 1.

Well done with your writing I can already see an improvement. Remember not to scribble out if you make a mistake as this makes your work look untidy. I am going to have a meeting for your grown-ups to show them how you do writing in school, they will know how to help you.

KS1 children are trying hard with their spellings in school and at home. If you find spelling hard, concentrate on three each week. It is better to get 3 right than 10 wrong. When you get three, try four the next week and you will gradually improve.

Have a lovely week.

Mrs Matthew

Skill of the Week

Keep practising how use a knife and fork.

Writing Workshops
