

After School Clubs

As the After School Clubs are now up and running (Football starts Tuesday 2nd October), we will operate a waiting list system to join after Half term (Cookery and Owlstones) or January for the other clubs. Please speak with Jill or Mandy on the front desk. As you know, we have had to cancel our Gardening/Eco Schools and both of our newly named Woodland Play (Forest School) due to lack of interest. Do you or your child have any suggestions for alternative Clubs for us to consider? **Please note that due to Parents Evening, there will be no Lego or Football Club on Tuesday 23rd October.**

Class Attendance

Congratulations to Blue Class who achieved the highest attendance for week beginning 17th September. The children have been celebrated in School.

Changes to our Newsletter

A reminder that after the October half term, there will be no paper copies of the Newsletter coming home. Subscribe to receive one electronically.

Bags2School

Bags2School are coming home with this Newsletter for you to fill with your unwanted clothes (see bags for allowed items). Please return filled bags to the Hall on Monday 15th October (or after 3pm on Friday 12th).

Growing wise together

Thank you for supporting the Farmer's Market yesterday we have raised nearly £300. As there are still some cakes and fruit left we will open again this afternoon. Thank you to everyone who donated something, there were some beautifully decorated cakes which must have taken ages. The children enjoyed making things and will write the instructions during their big write on Friday. We will let you know the final amount we will be sending to the Mahaqui Well project as soon as we can.

Good news regarding the new adventure playground, it has arrived from Germany and is going to be installed during the half term holiday.

Thank you to those parents who came to the writing workshops. Although there were only a few of you I think you found it useful. We are concentrating on writing this year as our results could have been better particularly for the boys. We are taking a different approach in reception this year so hopefully this will have a positive impact.

I have been made aware of a problem with dog mess on the path to school. Please take care where your child walks as dog mess can be a serious hazard in school. The children get it on their shoes and then on the carpet where they sit. Dog mess can cause blindness and other terrible diseases in young children. Some parents have phoned the council, the more people who complain the better. Obviously our parents would not leave such a hazard!

Childrens Corner

Hello Children

Did you enjoy making the cakes, crumbles and chutneys for the Farmer's Market? It all looked amazing! I have put some photographs on the website. I will be interested to see your writing on Friday.

How are the spellings going? I decided to reduce year 1 spellings to 5 per week. I will be expecting most of you to get all of them right on Thursday. Year 2 are able to do the 10 so keep trying hard.

The new adventure playground has arrived from Germany and is going to be installed at half term. I can't wait! I hope we have some dry weather so you can play on it.

*Have a good week and work hard.
 Mrs Matthew*

Class Photographs

Mrs Matthew has taken some photographs of each class as displayed at the front desk. If you would like to buy a copy (£2), please speak with your Class Teacher.

Skill of the Week
