Apologise for having to postpone the Parent Partnership meetings yesterday afternoon but we had a number of staff absent through illness and out on training courses. We will reschedule and let you know as soon as possible.

Some of the Year 2 children took part in a cricket festival at the leisure centre on Tuesday. Their behaviour was excellent and they had a great time. Well done for being good ambassadors for the school.

The adventure playground will finally be completed next week. It will be lovely to see the children on it. It has been so long in the making! We will have to have an official opening celebration in the near future.

Don't forget to come to the PTA meeting on Friday morning to discuss the next fund raising project.

# No Birthdays this week!

The parents of these children are invited to Celebration Assembly on Friday at **2:25pm**  
These children do not have to wear school uniform on Friday.

## Afternoon Nursery children

If you are bringing your child in for an afternoon session to Nursery, please do not go into any other area of school to try and find your older child. The safety of ALL our children is paramount and must be our first concern. Unknown persons wondering around the school and its grounds will be approached by staff.

# Childrens Corner

*Hello Children*

*Just before Christmas I tested your reading ages so that your teachers could make sure that you were reading in the most appropriate group. Some of you have been a little concerned about this as you have been put into a different group. Please do not worry, we all learn at different rates and as long as you are always doing your best then it doesn't matter where your friends are. It is more important that you are in the right place.*

*This is similar with the spelling groups, following the end of term spelling test some of you have been moved. The test checked to see if you had remembered some of your spelling from throughout the term. Keep working hard and learn your spellings every week.*

*Myself and some of the teachers have noticed that a lot of you are yawning in Class and look tired. Please make sure you go to bed at a sensible time (without your TV or iPad on) so you can be relaxed and fall straight to sleep meaning you come to school the next day refreshed and ready to learn.*

*Next week hopefully you will be able to have a climb on the new adventure playground, how exciting!*

*Have a great week!*

*Mrs Matthew*
