Baby Stanley's siblings were pupils of our School when he sadly passed away from cot death in the September. In his memory, his sister Izzi (who will soon be leaving for University) is raising money for research and support for other families who go through the tragedy of losing an infant. Please give all you can.

My sincere apologies for postponing the parent partnership, this was due to staff illnesses and in the circumstances, I will ask the class teachers to send out a parent partnership newsletter early next week.

Unfortunately Mrs Martin is away from school ill. She is also awaiting a planned operation in the very near future that will need her to rest and recover for several weeks after. Fortunately Miss Baillie, who is familiar to most of the children, will teach Blue Class for the foreseeable future.

The adventure playground is having the final touches and fixes sorted out this week – weather permitting. We have waited a long time for this project to be completed and I'm sure it will be worth the wait. As soon as it is ready we will have an official opening celebration!

With regards to the weather, a timely reminder of the School Procedure in the event of snow. Any decision not to open the school will be made early morning (usually by 7am) and announcements will be made via the local radio stations, the School Facebook page and also via our texting service. Please do not ring the school to check. No announcement or text means THE SCHOOL IS OPEN AS NORMAL. Should snow arrive during the day, the school will remain open until 3pm as we have many Ludlow based staff.

# Childrens Corner

Hello Children

I know this week some of you have been learning about garden birds. Did you know that the RSPB are holding their annual Big Birdwatch for the next few weeks? They would like you to write down all the different birds that you see in your garden. I will be doing it too on my new bird feeder at home. If you would like a bird watching sheet, come and see me at lunch time.

As I write this letter to you I am looking out of the window at the snow. Please don't forget to wrap up warm and remember your coats, hats and gloves for playtime. I have seen far too many of you with very cold hands.

Have a great week!

Mrs Meyer

## Dog Mess

Most of us encounter dog mess on the way to and from school. It is particularly bad at the moment. Obviously there is very little we as a school can do. You as parents however can report it to Shropshire Council on **0345 6789006**.
