Thank you for all your supportive comments regarding our disappointing Ofsted report. I would like to take this opportunity to assure parents that we are working hard to address the points raised in the report and that our priority is achieving the very best for your children. We will be hosting a parents meeting at 2:30pm on Monday 4th February to answer any questions you may have.

The weather has turned colder again and unfortunately we have had a few children arriving at school without coats – they tell me that they left them in the car! I know it's easily done.

Last week we had an incident at the top of the school driveway. A child on a bike collided with a vehicle leaving the school at 4pm. Fortunately no one was hurt on this occasion; however it was very upsetting for all the people involved. You are well aware that our entrance has very limited visibility and even the traffic mirror opposite only gives drivers a slightly better view. I have spoken to the children in assembly and explained that when they turn the corner into the school drive grown-ups in cars cannot see them and they must walk with their grown-ups. Please support us in keeping all children safe and remind them of this at home.

Childrens Corner

Hello Children!

Wasn't the Image Theatre's production of Pinocchio fantastic? It was wonderful to see the characters brought to life by the professional actors and also the budding actors of our own! I think this year's school cast did a wonderful job particularly when saying their lines. I was sitting at the back and I could hear every word – great job!

I know that you have all been learning and writing the story of Pinocchio and I have enjoyed reading your work. I am particularly looking forward to seeing your Design and Technology projects – puppets. I hope you get to use them to tell your own story.

Finally, please remember to get off your scooters and bikes **before** you get to the school driveway. We talked about it in assembly and it is important that you walk with your grown up and stay safe.

Have a great week!

Mrs Meyer
