

Headlice

Please check your child's hair and treat if necessary. We have reports from several classes of headlice being present.

Scooters

May we remind you that scooters **ARE NOT** to be ridden anywhere on the school grounds. Any children coming to School on scooters need to push them from the top gate down the school drive.

Parking

We continue to be contacted by our neighbours concerning parking. Please do not block drives or garages and always park considerately. Bromley Road is a private road so please do not park there.

Collecting your child

Some members of staff have been amazed to see parents climbing over the gate at the side of the school (down past the kitchen) to collect their children at the end of School and then with their children leaving the premises. **This is not the correct way to the playground to meet your child from Reception/Year 1 classes and could be very dangerous. Please keep to the path way.**

Celebration

Assembly—**9AM**

Yesterday we had visitors from the BAET to look at teaching and learning around school. It was a very interesting day and we have been given some pointers to further improve our practice. The visitors commented on how delightful the children were. In every class the children were on task and worked hard. Their behaviour was excellent in class and around school, many children stopping to open doors and speak to our visitors. I was very proud of them.

This weekend is the RSPB Big Bird watch. The children have been learning about birds and making bird feeders. Please try to do the bird watch at home as this encourages the children to care for the wildlife around them.

Childrens Corner

Hello Children

Well done yesterday you all behaved really well for our visitors, they thought you were fantastic. Keep up the good work.

Don't forget to push your scooters or bicycles in school as you could hurt someone. Have you seen any shoots coming up! There are snow drops in the gardens and there are some daffodils peeping through the grass outside TOTs so please don't walk on the grass by the cones or you might crush them.

Good luck with the bird count at the weekend, see how many you can count in your garden!

Have a great week!

Mrs Matthew

Class Attendance

Congratulations to Green class for achieving the most best attendance last week. The children have already been celebrated in school.
