

### Parking

We continue to be contacted by our neighbours concerning parking. Please do not block drives or garages and always park considerately. Bromley Road is a private road so please do not park there.

### Headlice

Please check your child's hair and treat if necessary. We have reports from several classes of headlice being present.

### School App

Don't forget we have a School App available for mobile phones! Just type in 'Ludlow Infants and Nursery School' at the App store to download.

You can also subscribe to have the Newsletter e-mailed to you—just go to the school website, click on 'Our School' and then the 'Newsletter' link. At the top of this page there is a section to subscribe, fill this in and you will be e-mailed the Newsletter weekly on a Wednesday.

### Scooters

May we remind you that scooters **ARE NOT** to be ridden anywhere on the school grounds. Any children coming to School on scooters need to push them from the top gate down the school drive.

## Future dates for your diary

 Wednesday 28th February—Blue, Yellow & Purple to Rays Farm  
 Friday 9th March—Year 1 Mothers' Day Assembly 2pm

The Image Theatre Company came on Monday to perform Robin Hood for all the children. It was fantastic! Some Year 2 Children were chosen to take part and did a great job. I have put some photographs on the website.

The Governors had a health and safety meeting on Tuesday where we discussed road safety in the absence of a lollipop person. We have decided to close the gates at the top of the drive nearest the road creating a chicane at the end of the day to prevent the younger children from running straight out into the road. We have also had reports that people are parking on the zig zag lines which is potentially life threatening to our little children as parked cars make them invisible to traffic. As I have said before I am responsible for the children whilst they are on the school premises, I can only advise on parking issues.

Please can I remind parents to only discuss incidents which may occur at school with school staff and not confront other parents out of school. You could be putting yourself at risk and it is school policy which is clearly explained at the induction meeting.

# Childrens Corner

Hello Children,

Well done to everyone on Monday, your behaviour was excellent during the theatre show. Year 2 actors did a great job. I am looking forward to reading your Big Write on Friday.

Next week we are having some more visitors to school. They are going to perform a Lion dance for the Chinese New Year; it sounds very exciting. Then you will all get a turn at learning some of the moves and seeing the Dragon close up.

Have a good week and remember to do your best.

Have a great week!

Mrs Matthew

If it is raining in the mornings & you come into the school building, please can you wait by the books at the reception end of the corridor not by the office as this can create noise which makes it difficult for the office staff to hear callers when answering the phone. Please remember that Yellow and Blue class enter school from the playground once the bell has gone.
