Growing wise together

I understand that Sports Day was a success yesterday, unfortunately I was at a conference in Shrewsbury so, for the first time, I missed it. I am glad everyone was safe and had a great time. Maybe once we are a Primary School we will be able to share the big field on the Junior site and have a big sports day with everyone.

The Governors meeting last week went well. Both Governing bodies voted to merge the two schools. Technically the Junior School will merge with the Infant School as we have two key stages, the early years foundation stage (EYFS) and key stage 1 (KS1), the Junior School consists of key stage 2 (KS2). The application to merge will be sent to the DfE and we should know the outcome in the autumn term.

The New Parents meeting went well on Monday. Unfortunately it clashed with England's first World Cup football match so we tried to make it brief. Next term there will be six classes and I am pleased to say that there will be no mixed year group classes, which is great news. Miss Dakers will be joining the Junior School as a year 3 teacher which is great news for the children although we will all miss her. She has been a fantastic teacher and has passed her NQT year with flying colours. With the reductions in pupil numbers and classes it made sense for her to join the Junior School who had a vacancy in Year 3. She applied in the usual way and was successful. This appointment will be great for both schools as it will aid transition.

What is special about tomorrow 21st June?

Answers on a piece of paper to Mrs Matthew please

Skill of the Week

For all the children—walk in a straight line as if you're walking on a tightrope.

Sports Day Helpers

Thank you to the Teachers and Teaching Assistants who helped out yesterday for Sports Day and also to Katya Rowley and Jonathon & Phoebe Granger. These days would not run as smoothly as they do without your cooperation. Thank you to all the grown ups who came along to cheer the children on.

Childrens Corner

Hello Children

Did you enjoy Sports Day? Well done if you won any of your races and well done for taking part and being brave if you didn't win this time.

On Friday we are having our Memories assembly in the School garden where we remember all those special friends and family members who have sadly passed away this year. We will be remembering Mrs Bowen our lollipop lady and Andris the little boy from Hungary who died 9 years ago in the Air France Plane disaster.

Well done to all of year 1 children who did really well in their phonic screening test last week. More of you passed the test than ever before. I am very proud of you especially those children who have been doing their 3 minute practice words every day. (You do not have to do this now, just keep reading your books).

I look forward to seeing some of KS1 on Tuesday for party games

Have a lovely week.

Mrs Matthew
